Location **Florida**

I have two kittens awaiting for homes. Im offering a foster to adopt option.

Sherbert is 6 WK old male orange Tabby.

Ernie is about 8 weeks male black/ white long hair.

- 1.The process is simple. set up an appointment with me to meet the kittens.
 - 2.foster the kitten if you love it yay good!
- if the kitten isn't the right fit that's OK
 I will take him back.

The kittens are too young for shots & spay/neuter.

BTW these are rescue cats. The kittens are the result of either a stray or feral cat which quite normal for Orlando.

3.When they are right weight; they will receive basic shots, spay & flea medication. Free of charge.
 Kittens must be a minimum of 4lbs for this procedure. You will get a copy of medical records(free)

I volunteer w a local group here in central Florida. Which I can set up the appointment through Orange County Animal Services.

They will have to pick up the kittens in a foster home where they will stay until they are old enough to be spayed/neutered. If you are considering taking a kitten home, please consider the responsibility of taking care of a cat. 10-15 years is a big responsibility.

I will prescreen potential foster families for the kittens. Please be prepared to ask/ answer questions.
