Hello! I am Danny, a 17 y/o guy. I do harsh vocals, or what most people say are screams. I can do low to high and can do growls. I need a guitarist and a drummer.

I want a metalcore bandlike sound. Like Bullet For My Valentine, BMTH, I Am Haunted, maybe a bit of MIW, etc.

Age range between 17- 23 please.

If you have a place to practice, that'd be a huge plus, as I do not have any place.

If you're interested please, email or text .
