Brand-New Targus Defcon CL Notebook Computer Cable Lock (\$32 OBO)

The Targus DEFCON CL Notebook Computer Cable Lock allows users to protect a notebook computer and its valuable data with this affordable security product. The Targus DEFCON Combo lock is a 6.5 ft cut-resistant, vinyl-coated, galvanized steel cable that loops around any secure object and easily attaches to your notebook's lock slot. The DEFCON CL features a user-settable combination lock with up to 10,000 possible settings for added security. Ideal for use in the office, at school, tradeshow, hotel rooms or other highly populated areas where your notebook may be at risk.

Loops through a stationary object and connects to the lock slot of the notebook  
Up to 10,000 possible combinations that can be set or changed at any time  
Combinations also eliminate the need to keep track of keys to help eliminate security breeches  
6.5 feet of galvanized steel cable, .16" Diameter

Was bought new for \$40: <http://www.targus.com/us/productdetail.aspx?sku=PA410U>

I took it out of the original box, but never used it. Thus, it doesn't come with the original box, though all the components and the manual are in brand-new condition. The attachments are still sealed. Selling for \$32 OBO. Comes from clean, non-smoking, pet-free.
