If you're just starting out modeling, are a seasoned pro, or have never been in front of a camera before, I'd love to book a shoot with you! All shapes, sizes and colors are welcome.

I'm hoping to shoot a variety of looks and styles, from simple beauty shots, glamour, cheesecake/pinup, and boudoir etc. I usually take shoots to a minimum of implied/topless/thong, but I am definitely looking for girls comfortable with full nudity, but I am happy to tailor a shoot to your comfort level. I will provide links so you can take a look at my work to get an idea of my style.

I have a small studio in a quiet neighborhood not far in PA where we can shoot. I have plenty of backdrops and props, but I don't have a make-up/wardrobe person (although I do have some outfits/tops at the studio).

If you are interested please attach a few current photos or a link to an online portfolio etc. You will get a copy of everything we shoot plus professional retouches. I do reimburse for travel, and am open to negotiating compensation for the right shoot.

Must be 18 or over and have ID.

Hope to hear from,
