I am a social drinker, and I entertain & have company regularly. I ride a Harley and have tattoos, I listen to rock & roll. Please regard social/ personal compatibility.....

If your a guy, I will have to install a door on the "green room" prior to occupation and reinstall the folders for your closet & demo computer station, or peel wallpaper in "pink room" and paint to suit, remove carpet and re-finish hardwood.

If your a woman, you will be quite satisfied with the "pink room" and the "green room" as your office/TV room. All furnishings in house is traditional colonial. If you paint, color is contingent on resale value.

Pets are contingent on compatibility of my existing pet family.

ZERO TOLERANCE FOR DRUGGIES, DRUNKS, unsavory types!!!! straight forward, organized individual minded for long term agreement.
