You will not find this anywhere else!

Yes, we could go out and hire professional models but we want to do something different. We want to show the people that buy our products that we care and one way we can do that is by giving them the opportunity to be a featured model on such a fast growing fashion platform.

This is huge.

What this means is the person who is selected to be a featured model on our site will receive a discount code personal to them, a portfolio of 10 to 20 photos taken during the shoot, and the opportunity to be a featured face of Ziannie. An opportunity like this one is extremely hard to come by and could be the gateway to excelling in a future of modeling and fashion.

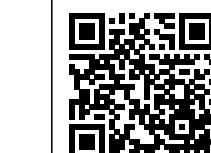

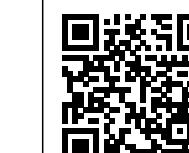

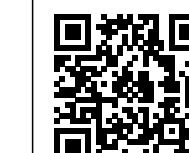

What does the modeling program include?

- >A free full photoshoot including 50 photos
- >A flash drive which will include all photos taken at the shoot
- >A client tailored portfolio consisting of 10 photos from the shoot to get you started
- >A booklet of modeling poses to educate you before your shoot
- >1 year discount of 10% off all purchases made on ziannie.com
- >Take home the merchandise you model for free!
- >An opportunity to be featured as one of the faces of Ziannie
- >An opportunity to be seen by scouting agents from modeling agencies
- >The opportunity to be included in Ziannie events
- >An awesome experience

What does it cost?

>The cost for the full modeling package is \$350. This cost includes all of the benefits listed above, along with the cost of equipment and travel.

>The photoshoot is 100% free.
 There is no publication.
 Each client that's pay the full cost will not receive a photo shoot without entry into the program.
