Hello,

Please read this post carefully.

We are seeking a talented actress for a small part in an upcoming feature film shoot. This role requires nudity, albeit tasteful. The nude scene is in no way pornographic however it is frontal. If you are unsure about the nudity, please do not respond. You must be over the age of 21 to submit for this part.

This is a medium budget thriller and is planned for theatrical and festival release sometime in Winter 2016. Ideally, you have some on-screen experience. Although small, this is a significant role and requires some acting chops. This scene is expected to shoot over 2 days with compensation of \$750 per day.

For consideration please send your Talent CV, a headshot and a nude shot. These are not negotiable; please don't waste our time and yours sending us requests to be considered without the aforementioned requirements. As stated, if you're uncomfortable with the nudity, simply don't apply.

Thanks & we're looking forward to meeting you.
