I need someone to be my office eye candy, help spice up my day while working and do a little clerical work.

Someone that I can sit back and watch you in your panties, maybe smack the booty now and then, or a lap dance for me.

Duties: massages, Internet marketing, answer calls, possibly some light cleaning

Dress will be: Thongs, boy shorts, bikini, some topless.

This is a real position, but it's not typical and it's not meant to be.

Serious replies only.

Pay is cash daily.
