

Roof shingle installation (Bethel)

Location **Kentucky**
<https://www.genclassifieds.com/x-566897-z>

Would like a bid to install shingles on a low pitch roof on additions of my house. Approximately 120 square feet. The roof is dried in on new sheeting and ready for completion. I have new shingles, nails and flashing. All I need is someone to finish the job.

Thank you,
