I'm currently offering SUPER CHEAP web design for a limited time to build my portfolio. Web design services include:

- 7-10 pages
- fully customized and functional web site
- logo design
- customized banner
- 8-10 day turnaround
- unlimited images
- web content development
- mobile friendly

***You are responsible for paying for your domain and hosting, which normally runs about \$20-\$40 annually. This is a great opportunity for start up businesses and existing companies who would like to re-design their current website. Please contact for more.
