Hey whats going on. Just recently moved to Glastonbury and it would be nice to meet some new people from this area who would like to get together. Right now I have been biking hiking walking riding. Jusst today I happened upon River Front Park and seemed to be beautiful as well as having some nice trails which would be great for riding hiking or walking. It would just be great to have someone around here to do these with. Anyway I have attatched my picture and yes its been on another ad but its real just as much I am...so if you would like to get together with the new guy to show him around or to get out and do some things then please feel free to hit me up.... I look forward to the possibilities. ..
