I'll be in Omaha for a wedding on Saturday the 18th, and I need to get to Sioux Falls at some point the day after the wedding. I'm flexible in terms of departure time, but mid-day would probably be best for me.

About me: I'm a normal, easy going, gainfully employed 31-year old guy who is happy to pay his share in gas money and split driving responsibilities.

If you have questions just.
