Hey -

This is an opportunity if you are in great shape and can talk shtt and then do a number of workouts. You have to be able to talk about the workout that you're doing. We'll do some voice overs, but we'd prefer that you had some ability to act and talk shtt.

YOU MUST know how to do the following exercises, at a minimum.

Burpess

Pullups - all kinds

Pushups - all kinds

Situps - all kinds

Jumping Jacks

Running in Place

Some yoga

I'm paying 20 dollars an hour for your work with the video.

You will need to sign an acting release before we begin production.

The entire job will pay around 100/dollars.
