Do you suffer from Obsessive Compulsive Disorder?
Do you want to try a self-help treatment for OCD?
Do you own an Apple Device?

If so, you may have the opportunity to participate in an online study evaluating a mobile app for OCD. Each participant will receive free access to the mobile app and be asked to complete four online surveys over 12 weeks.

If you are interested in learning more about this study, please contact Dr. Maria Mancebo at mancebo@uconn.edu or fill out the form in the link below. Participation is voluntary. All information gathered will be treated as confidential.
