?? MEET THE WORLD!!! ?? Host an international student this SUMMER!! Become a homestay family!  
??

Explore the world this summer! Europe, Asia, Africa, the Middle East, and the Americas!!

Learn about life in other countries while re-discovering your own through the eyes of a foreign student!

Share dinners with friendly new faces! Share American culture!

Make friends around the world!!!

KINGS Education Boston (in the Chestnut Hill area) is looking for caring, fun, unique, open, and friendly families to welcome our students into their homes and lives this summer!

Our students range in age from 16 -- 35 or older and are studying English to improve their lives! They're looking for welcoming, open-minded families near bus or train stations with easy access to Chestnut Hill.

We're looking for families NOW for the 2015 summer but have incoming students ALL YEAR.

Host for as little as two weeks or as long as 9 months or more. YOU pick the students and YOU pick the dates!

â€¢ Weekly stipend paid for room and board

- Full training and support

â€¢ International students from all over the world

â€¢ New students starting every week

• Short and long-term placements available
