Do you suffer from chronic lower back pain?

ActivMed Practices and Research are looking for volunteers to participate in a nationwide study on chronic lower back pain. If you are between 18 and 75 years of age and have been suffering from back pain for more than three months, you may qualify for this study.

Compensation for travel will be provided for those who qualify and participate. All study related office visits, study medication, tests and exams will be provided at no cost to all qualified participants.
