

# Art Festival Sales (2015 USD)

Location **Minnesota**  
<https://www.genclassifieds.com/x-567269-z>

We're setting up our artist booth at various art festivals throughout Minnesota, Wisconsin, North Dakota and Iowa, this summer selling our Photo Letter Art.

We've got events booked nearly every weekend now through the summer, and continuing through the fall.

We're looking for folks to help us sell and put together our Photo Letter Art pieces at many of these events.

Events normally run over the weekends, on Saturdays and Sundays,. Although occasionally, we'll occasionally have an event scheduled during the week.

(We might even have extra hours available during the week in our studio, if you'd be interested in helping during the week as well!)

If you're looking for some extra money, and like the idea of working at various art festivals, and are available most weekends, you might just be interested in helping.

We're looking for someone who is friendly, hard working and flexible. What we're asking for is perhaps some extra drinks to have on hand as well.

Does this sound like you? If so, and you're available, and interested in helping, here's what to do:

Send me a quick response explaining why you're the person we're looking for and why you'd be interested in a position like this.

Then, if we both think it's a match, we'll go from there! How does that sound?

That's it! It's in your hand's!
