Veterans put their lives on the line defending our way of life and we deserve the best possible help as we make the transition back to civilian life and civilian work. Our company needs your business to continue putting Veterans to work. We have made the sacrifice to serve our nation, now all we ask is the opportunity to go back to work.

Standard Moves - Our Most Popular Choice

This is where you have your home packed and ready to go so we can come over, load it up, drive it to your new location, and then unload your belongings. We also arrange your furniture to your liking in your new home. All you have to do is unpack at your own leisure, we take care of the strenuous work so you can move affordable. We can move it all or "Just The Big Stuff" We can also break down beds, remove/install mirrors from dressers, disconnect/reconnect washers, dryers, ice makers and other things you may need help with !

Unload/Load Your Rental Truck, Trailer or Storage Container

We also provide labor crews if you rent the truck (U-Haul, Penske, Budget, Ryder, etc. or trailer, PODS unit, portable storage containers, etc.) and we can load it for you, unload it, or both. Are you going to drive the truck to your new location? We can load it for you. Are you moving to the Twin Cities area and arriving with a loaded truck? We can unload it for you. We also can drive your rental truck for you if you feel uncomfortable driving the bigger moving trucks. Contact Us For More Info!

In House Moves / Furniture Rearrangement (as low as \$149)

Just need to move some items around your home? up or down stairs? to the attic? or garage? We can help with the big stuff or even the small stuff.

Long Distance Moves:

We offer Flat Fee Pricing to and from for long distance moves using 2 different truck sizes. Our Apartment Trucks hold approximately 800 cubic feet which will fit most 1 and 2 bedroom apartments and 10-12ft Beds. Our 26ft Box Trucks will fit a 3-4 bedroom house. We can also do 500 lbs jobs.
