Hello craiglisters!

Sam and Cal here!

We have a hobby of detailing cars --- yes, we enjoy doing it. That is why we are willing to detail vehicles for cheap even though we put major elbow grease into every vehicle!!

We are full time grad students during the school year and we'd like to spend some of our summer detailing cars. We shampoo, ArmorAll, hand wash and wax, clean leather, clean and polish rims, etc etc with nothing but the finest products (3M, Meguiar's, and Mothers mostly --- among other specialized products e.g. *Nufinish.)

We can be mobile, but our garage would be ideal.

\$40 bucks for our standard wash. This includes our exterior hand-wash and dry, our interior vacuum, and our FULL interior wipe-down with Meguiar's interior detailer cleaner.

\$65 bucks for our WORKS. This includes everything in our standard wash PLUS our exterior hand-waxing, and a deep cleaning carpet shampoo!

*We used to work for Heppners in Woodbury. These details cost almost 200 if you check the site. And dont get me started on the downtowner. We do them for 65 bucks-- tips are welcome :)
