

## Bengal mix kittens (broadview Estates)

Location **Florida**

I need to rehome my 5 bengal mix kittens.  
 They are about 7 weeks old.  
 I have 3 spotted and striped males and 2 black and black and white females.  
 They are adorable and very playful.  
 I am asking a reasonable rehoming fee of 150 to insure that they go to good homes.  
 If interested call me at  
 Thanks and have a blessed day!!
