

## **Need childcare asap (manassas)**

Location Washington https://www.genclassifieds.com/x-567432-z

Seeking babysitter/childcare provider to start today within the Ellis Elementary school area. It pays \$200 every other week. I work odd hours and do not have the normal 9-5. For one child well behaved. All that is required in homework help and reading. She is very independent and usually keeps herself busy with coloring and playing with.
