Meet Sunny Cricket! She is a 1 year old, estimated 40lb. lab mix.

At now fault of her own, Sunny Cricket was surrendered by her owner in Aiken, SC. She had shutdown, was overly scared and heart worm positive which means she was on death row.

OPH, working with our partners Shelter Animals Advocates Aiken Foster Network, broke Sunny Cricket out of her shelter jail, sent her to the 'doggie spa' for heart worm treatment and just showed her a lot of love!

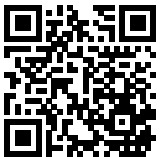

Now, on the mend and FREE... Sunny Cricket's future is so bright, she has to wear shades!!!! She's looking for a home that won't mind her taking a little time to adjust to all the changes in her life and someone that wants a loving, sweet companion. Is that you?

Operation Paws for Homes, Inc. is a RESCUE that operates throughout Northern Virginia, Maryland, DC and southern Pennsylvania; OPH is devoted to the rescue, rehabilitation and placement of animals from high kill shelters in the southern region of the United States.
