The decision to file a bankruptcy is a very serious decision, and I know that at The Gemma Law Firm. My name is Attorney Ron Gemma. I have helped hundreds and hundreds of people with their debt, and I will help you determine if bankruptcy is right for you.

Call me today so that we can set up your free initial consultation, so that you can get on the road to financial success. It is only 50.00 to start, and payments plans are available.

I start my fees for a simple Chapter 7 bankruptcy case at \$315.00. Chapter 7 bankruptcies are "liquidation bankruptcies" that wipe out all of your unsecured debt besides a few types of debt such as student loans and some tax debt. The only other fees you will have to file a bankruptcy is the court filing fee, which is \$335.00 and small additional costs for the credit counseling class and debtor education course, and if you would like a credit report.

I have helped literally hundreds of Hoosiers with their debt, and I would be happy to help you as well.
