Hello Indianapolis and Surrounding Areas,

Do you need your TV mounted to the wall? Are you tired of looking at all the wires for your TV?

I can help!

Call me if you want to hire the right guy to get the job done, I have over 16 years experience in the television industry and promise you'll be very happy that you did.

Truly the BEST prices in town, only \$100 for standard 1 stud bay TV install. I'm available day or night and weekends and can usually come out same day or next day. I will go above and beyond to make sure the job is done right and that you are completely satisfied with your television installation.

I will mount your TV on the wall and install all wires in the wall, you supply the TV mount (any style I charge the same price for all) and HDMI wires (I carry 6' HDMI's, usually need 10' to 15' depending on the job) I also install home security cameras, sound bars, shelves, and more, just ask. Please call to set appointment, day or night.

I have many references available upon request.

Thank you for your business! Bryan
