First choice for Electrician needs

Thanks  
 Electrician I have been for 32 years now Please Read  
 Your Small Job Specialist  
 Get your Electrical Needs done for a 1/3 of the price of a big electric company .  
 32 years of various experience in the construction industry. The last 23years I have been an electrician for a well known Electric Company in the West Chester area.  
 Skills that can help you are: Fixture replacement, installation of ceiling fans, extra outlets added, circuits added, panel changes, and more. Are your GFI outlets, smoke detectors, and carbon monoxide detectors working ?

---

Plumbing repairs/install new fixtures (don't pay High install prices for those Big Hardware stores

I,m about a 1/3 of there price

General household repairs: picture or curtain hanging, hole patching, caulking tubs and sinks, garage clean up, replace them burnt out light bulbs, replace doorbells, window cleaning, repair or replace bad switches and outlets that don't work, Install dimmers, etc. Please feel free to email me your list in case I may have missed something you need done. If I can't do something I will tell you so, and find a pro for you that can. I have many trusting friends that do side work and I will let them handle thing I do not

I've been married for 31 years and I'm a 56 year old Grandfather of Five little girls and One Grandson . I've been with a well known Electric Company for the last 23years and in the remodel end of things for most of that time. With the housing market down, I've been laid off since Jan 07 with no end in site. As a result, I have to take this matter in my own hands and trust in you that I will be able to serve other people with my extensive home repair skills by starting my own handy man service. Let me build your trust and your friendship along the way. Feel free to ask me any question you might have. I can be a household service man that you will want to call with all your needs.

Please feel free to call me after 6pm with any questions you might have. (I,m vary easy to talk to )or email me. you can also text me

Sorry My all Day Rates do not apply to Service Changes I Bid all service changes for free
