In a rush? Email me via the Reply button at the top left with a phone number and I will contact you back immediately. :-)

Hi! My name is Anthony and I am an educated IT professional with 12+ years experience. I can make your PC or laptop run fast and new again.

I am able to fix your computer as soon as right now! Just email me with a phone number for an immediate reply/appointment scheduling. Here are some services I offer:

- Remove advertisements/popups.
- Remove ALL viruses/malware/rootkits.
- PC tune-up/cleaning.
- Operating system upgrades.
- Network upgrades.
- WiFi issues fixed.
- Hardware upgrades.
- Mac OS X issues.

My rate is \$40 flat per computer no matter how many viruses are on it! If I can't remove all the viruses, it's free!

Please reply to my ad for a fast reply to set up an on-site appointment. Thank! :-)
