I am looking for someone who is very warm and loving to care for my newest little bundle of joy. He is 2 months old. Looking for a SAHM or someone who may be willing to come to my home to watch him. I work from home most of the time but do go into the office about once a week. The hours needed would be around 8am-4pm and those time are flexible. With our current circumstances, I can only pay \$150/week. If interested in meeting my family, please email me back and tell me a little about yourself.

Thank you in.
