Aloha,

I realize this is early but I am looking for a place in Kailua or close by that will be available by October 1st, possibly a week earlier. I am currently on the mainland but am moving back to Oahu and wanted to get a jump on housing, since it is hard doing so from miles away.

A little about me. I am very clean, a great cook, very active, a little bit quiet at first but I open up once I get to know you. I don't smoke or do drugs, but I do enjoy the occasional drink and going out, and also the occasional house party and such. I am constantly outside hiking, swimming, running, etc. Pretty much anything to keep me in the sun. I love food, and will try any cuisine once, all my previous roommates love eating my food. I am a hard worker and just graduated with personal training and nutrition diplomas. I will be working as a personal trainer once on the island. If you are my roommate, you will have access to lots of workouts and such, so that could be a bonus for you. If you are a couch potato, I'll let you play your COD.

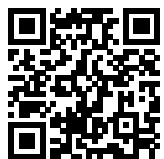

I have a black cat and she's extremely friendly and loving and pretty much thinks she's a dog. She'll play fetch with you and ask for attention constantly. She is well trained, spayed, and I have several references from other landlords and roommates who can attest to her being clean and not damaging any carpets or furniture. She is also dog friendly, especially with small dogs, and after a week or two is fine with the larger dogs. She's very mellow.

I am looking for a place in the Kailua area, preferably with a kitchen and a bathroom that may be shared. I would like to provide a reference and first floor access when I move in. I am fine with a single room, a double room, or multiple rooms. I am open to any combination. I have four bedrooms and two bathrooms. I am looking for a place that is clean and well-maintained. I don't like to live in a house that is not well-maintained.

I am reachable by either text or email at 808-three three nine-6743.
 Mahalo and thanks for your time.
