

Paid Shopping Study (ONLINE)

Location **Indiana**
<https://www.genclassifieds.com/x-567633-z>

The Hartman Group, Inc. a full-service consulting and market research firm, will be conducting 60 minute online interviews August 10-20th.

Participants will receive \$150 for their time, insights, and completion of a creative homework assignment. For this project we are interested in speaking with the primary household shopper, so if that's you, then please answer the following questions:

- â€¢ Where do you normally shop for groceries?
- â€¢ What restaurants do you like?
- â€¢ What video chatting app do you use regularly?
- â€¢ What is your favorite food show, food blog or food app and why?

Please include your name, age, email address and the best phone number to reach you along with your answers to the questions above.

Thanks and we look forward to hearing from.
