

counter top fabrication and install (Amo)

Location **Indiana**
<https://www.genclassifieds.com/x-567647-z>

Formica tops with formica backsplash.

Installer to measure, fabricate and install.

If they want they can cut hole, install sink and faucet too to make a little extra

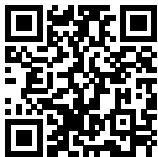

I need the fabricator / installer 100% responsible for the fit and finish and to measure prior to building the tops.

E mail for pics
