Location **Mississippi**  
<https://www.genclassifieds.com/x-567657-z>

We're looking for a new lead vocalist. Our influences range from 70's classic rock to southern rock to 90's rock. Current set lists include The Eagles, SRV, Black Crowes, Kenny Wayne Sheppard, Foreigner, Molly Hatchet, Blackfoot, 38 Special, Tonic, Big Head Todd, CCR, Clapton and more...

We're looking for someone to step up and continue our momentum. We were a four piece act; guitar, bass, drums and vocalist but our vocalist decided to pursue a venture in another direction. Extra points if you can bring guitar, keys or another instrument to the party but not required.

Reply by email or text if interested with a bio/demo/facebook, etc. We anticipate a quick recruitment process and are looking to get back into the clubs.
