Tired of Paying an arm and leg for wind and property insurance? Are you stuck in the wind pool and seeing increases in premium? Look no further, because I have the solution for you. You are just one call away from saving thousands in insurance premiums. I have an exclusive contract with an AM Best, A rated Insurance Carrier who has recently been given the green light to write new business in our areas Coastal Counties. My agency is the only group who has access to this market, and we plan on taking full advantage of it. Call and set up an appointment anytime.
