## **Fishing Boat Fiberglass (170 USD)**

Location Idaho https://www.genclassifieds.com/x-567762-z

Fiberglass fishing boat with oars. I'll measure it when i get a chance and update the ad. I think its like a 10 ft. Fits 2 people and a large dog fine. It's in the water now so you can test it out if you want. Needs cleaned obviously but I don't have a hose where it is at now.
