I am selling a like new queen Sleep Number P5 mattress, with black bed frame, box spring, Sleep Number cooling mattress topper and Sleep Number mattress protection pad.

The mattress is only one year old and has always been covered and protected. Everything works just like out of the box and the only reason I am selling everything is to upgrade to a King.

The frame was purchased from Furniture Row and is a black sleigh style frame with the box spring included.

The mattress is the P5 which features 2" of PlushFit foam on top of the air mattresses. The mattress retails for \$2299.98

The mattress topper is the Sleep Number CoolFit Foam Layer and retails for \$339.99

The mattress protection pad is the Sleep Number Si'll Defense Layer and retails for 169.99

Overall everything cost well over \$3000 and I would like to get \$2000 O.B.O. The buyer will be responsible for pick up. Since the frame and mattress all break down, the box spring will be the largest item. Please let me know if you have any questions or need further.
