Bearded dragon with set up (Raleigh)

Location **North Carolina** https://www.genclassifieds.com/x-567864-z

Just adopted a juvenile bearded dragon but unfortunately can not keep him.

He is about 8 months old.

Does not mind being held; no signs of aggression.

Comes with 40 gallon tank,

UVB light with fixture and basking heat day/night bulb with 2 lamp domes.

Food and water dish

ReptiCal, Reptisafe, bathing tub, tank decor, 100+ superworms, carpet bedding.

Rehoming fee of \$70

If you only want the beardie, let me know and we can work something.
