Are you a new mom Research volunteers needed

Location **North Carolina** https://www.genclassifieds.com/x-567865-z

Have you given birth recently?

Are you feeling depressed and/or anxious?

UNC's BIOMOM research study is trying to understand the causes of Postpartum Depression

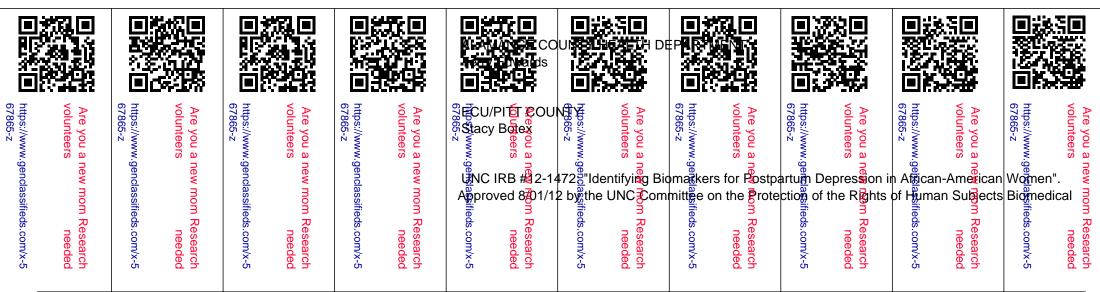

You may qualify if:

- ? You recently had a baby (within past 4 -- 8 weeks)
- ? You are currently feeling sad, blue, depressed and/or anxious
- ? You are African-American or Latina

If interested please contact one of our BIOMOM Research Assistants listed below. Eligible participants will receive a \$50 gift card for one 60 min study visit and a brief phone visit.
