

Young Male Models wanted for Erotic Photography (Bolton Hill)

Location **Maryland**
<https://www.genclassifieds.com/x-567911-z>

Amateur photographer seeking young men, aged approximately 18 - 25 and in good physical condition, to hire as models for erotic photography for the fetish/bdsm community. Pay can be provided at a rate of approximately \$8 an hour, paid under the table, or if you'd like to just do it for fun, that's an option as well. Proof of age and a signed consent and release form required. Amateurs or professionals, any orientation, any race welcome. If interested, email Marcus, and title your response "Model".

Also please note. I am not currently in Baltimore at the moment and won't be until mid-August at the earliest. So please plan accordingly and, if you're selected, give yourself reminders. I reserve the right to decide who I do and do not wish to work with. Thank.
