

Garage Shell Build, Two Stories (Catonsville)

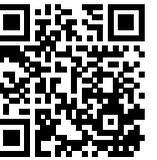

Location **Maryland**
<https://www.genclassifieds.com/x-567923-z>

I'm looking for a contractor or set of contractors to help with aspects of an upcoming garage build.

I can send over the drawings upon request but some general information is as follows:

- *poured slab with reinforcement
- *poured footers with reinforcement
- *40' by 30'
- *3 dormers
- *3 car garage with loft

Similar to plan 195150 by west home planners (search google) but without upstairs walls/features.
