

# 125 gall complete fish tank (wendell)

Location

Idaho

<https://www.genclassifieds.com/x-567962-z>

includes 125lbs of river rock themed rocks, a regular filter and canister filter which combined are qualified for 150+gallon tank, heater, thermometer, lots of decorations, ph tests, ph decrease, water salt, dechlorinizer, net, scrubber, two bubblers, two lights, the only thing it needs is new filters for the pumps. ... everything works wonderful and the tank stays really clean. .I was into it for a while but than my daughter was born and we moved and I never want to move it again. .haha if you're interested please TEXT me and I'll send you some pics 208490777five asking
