Please say a big "Howdy Partner" to this cutie Ranger! Can you see how unique he is? He's a Manx, which means he has a unique tail. He is very active and loves to run and play, but he was a bottle baby, which means he will love his humans like no other. If you're looking for a cat to love you and bring you lots of joy, Ranger is your boy!

He is also neutered, has his first set of shots, is de-wormed and ready to go. He does not want to be in foster care anymore and is desperate for his own.
