

Dog crate castor wheels (15 USD)

Location **Idaho**

My mastiff is no longer in a crate so the wheels have been removed from her crate. I have 6 available. Will sell 4 for \$12 or if you need all 6 for a huge crate, they will be \$15. Your crate size will determine if you need all 6. Used but in perfect condition with all parts/instructions included. Wheels also lock so the crate stays in place. These made moving her crate extremely easy. 284-5675 Vista/Overland area in.
