Just trying to make a living, not trying to get rich. My truck and equipment are old, but reliable, and I own them, not the bank. Which means you don't have to make my payment on my fancy new truck.

If you just want your house painted, and not worried about an old truck setting in your drive way. It could save you a lot of money. I under bid the last job I was on by \$3,000.00

If you're worried about what the neighbors will think, and want the fancy truck, pay the fancy price.

I've got 20 years experience in all home construction.

Call me at and ask for Steve,
