Hello. I have a room for rent in a nice house/neighborhood. \$450.00 includes utilities. DishTV, WiFi, laundry machines, etc... Room is furnished with a new mattress. Living here is myself and another guy both in mid 30s.

1. Vehicle must not have constant oil or power steering fluid leaking all over the street.
2. PC Gamers not welcome. (Xbox and Playstation are welcome)
3. Urinating in the sump pump drain and floor drain is not acceptable. Believe it or not I had to deal with this before.

Thx
