This is for a 1-time acting gig, quick and easy, and fun for the right person!

I'm a female detective and I need an attractive woman, aged 25 to 35, to do an undercover acting job in a public place. This will NOT be a dangerous job, it will be out in the open in a public place during daylight hours! I simply need someone to pose as if they are flirting.

Depending upon where the target is at the time of encounter, travel between Boise and Caldwell areas may be necessary. If this is a problem for you, please do not reply.

The encounter must be video recorded with a good quality device of your own, and payment (one time payment of \$50 cash) will be made in person upon exchange of the *good quality* video with audible sound.

The ideal candidate will be attractive, fit, outgoing, have a strong personality and a lot of confidence. Some assertiveness would help a lot, but knowing how not to go overboard and blow your cover is essential. Dressing in a bit of country or classy flare (see pictures for ideas) a huge plus.

If interested in this quick and easy job, please send photos of your choice to me via this ad and I will get back to you. Put "Cheaters Never Win" in the subject line so that I know you're not a robot or spammer. I will delete this post as soon as the job is filled by a candidate with one.
