Here is the deal. The plasma center off overland is giving all those who are new to donating \$50 for their 1st donation and \$50 for their 2nd. And the most important part... Only for the month of july, They are giving the referals (me) a \$100 which i would split with you for using my name.

Help me Help you!!!

If you need a ride i can help!

What you need is a social security card, i.d., and a piece of mail with your name on it.

The first day is 3 hours and second is about 1. Thats all!!!!

Do you have 4 hours out of your week to make \$150 by lying around watching movies with a needle chilling in your arm? And if you want to keep doing it twice a week every week you will average about \$300 a month!

Please let me know because i want half of that \$100 referal. I've already done this with a few people and want alot more of you hit me up any time. They are open 7am to 7pm 5 days a week and 8-4 on saturday.

Thanks. Have a good day and good luck with the continued job. :)
