We are looking for someone to do basic landscaping maintenance projects at our many apartment complexes.

Duties may include:

- Sprinkler repair
- Weeding
- Edging
- Laying bark as needed
- Bush removal
- Some trimming and sculpting
- Overall care and keeping of our landscaping except mowing.

This is a part-time, as needed position with flexible hours.

You provide your own tools and transportation.

If you're interested, please send a reply to this message listing your experience and some references we can call.
