

Senior Cat, with Rescue, Fenton, MO

Location **Missouri**
<https://www.genclassifieds.com/x-568273-z>

Carly is a wonderful senior girl. She is very sweet and loves attention from people. She tolerates other cats if they aren't in her business. She has soft, silky fur!

She loves snuggle time. She prefers to sit on her people instead of her people carrying her around.

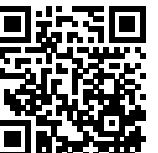

Carly would like a quieter house. She would do well with older children but not young children. There are kids in her foster home. She likes when they are sleeping. She sits on them after they fall asleep and lick their ears or sleep next to them.

Although she is 11 years old but does not show her age.

When cared for properly cats can easily live to 20. Everyone knows kittens are cute. They are also a lot of work. When you adopt an adult cat you really are saving a life.

Carly is available for adoption with St. Louis Pet Rescue. Her adoption fee is \$85.00 and includes vetting, microchip, testing, and spay.

Adoption events are at Petco in Fenton/Gravois Bluffs on Saturday from 11-4 and some Sundays from 12-4. Respond via email or text if you want to meet Carly.
