Raven and Darby are looking for their forever home. They are siblings and would like to be adopted together although it's not mandatory.

Raven (black and white) and Darby (grey) came to rescue a bit wary of people. They had a rough start to life. They are leaving the past behind and are working very hard with their foster dad and making great strides. Their foster dad says, "they are super sweet, follow me everywhere and hog the bed sleeping with me. They are going to make someone awesome pets!"

If you want to meet Raven and/or Darby, send a text!

They are available for adoption with St. Louis Pet Rescue. Their adoption fee includes vetting, FIV/FelV test (they are negative), spay and micro.
