Button was a bottle baby. She isn't excited about a busy household. She would like a less noisy environment. She would like to be in a house with no kids or older kids.

Button is available for adoption with St. Louis Pet Rescue. Her adoption fee is \$95.00 and includes vetting, microchip, spay/neuter and testing.

If you would like to meet Button, adoption events are at Petco in Fenton/Gravois Bluffs on Saturday from 11-4 and some Sundays from 12.
