for 1 person.

no pets, no smoking, no drugs, no guests, quiet.

We have a room available for 1 person in our house for someone that needs it short term.

furnished with a tv, bed and dresser. private room, shared bath

\$220 a week or \$40 a day

We also have a washer and dryer and a water cooler for cold drinking water which is nice when you want it.

Perfect for someone that is in town for a poker tournament or business convention and is here to work and have a nice relaxing quiet place to come back to get some proper rest.

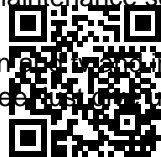

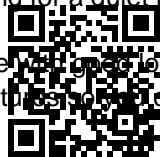

we are in a 5bd 2bth house, your room is on top floor, shared bath, we are just down the road from the strip, about a mile, quiet neighborhood and quiet roommates, no pets, all guys 30's/40's, everyone here is low maintenance and self sufficient and respects each others space and privacy and keeps it quiet so we can rest when we need to.

You can come look at it anytime, all utilities are included, even all the movie channels, this is quite a good deal.

and we are very close to the strip which is very convenient being in central las vegas.

So basically looking for a quiet low maintenance self sufficient person like us that needs a place.

we are in a house with good location, fast internet, nice place quite quiet.
If you like the pictures you can see us, we are a cat and dog over 50 years old.
